

FAA Work in Environmental Justice

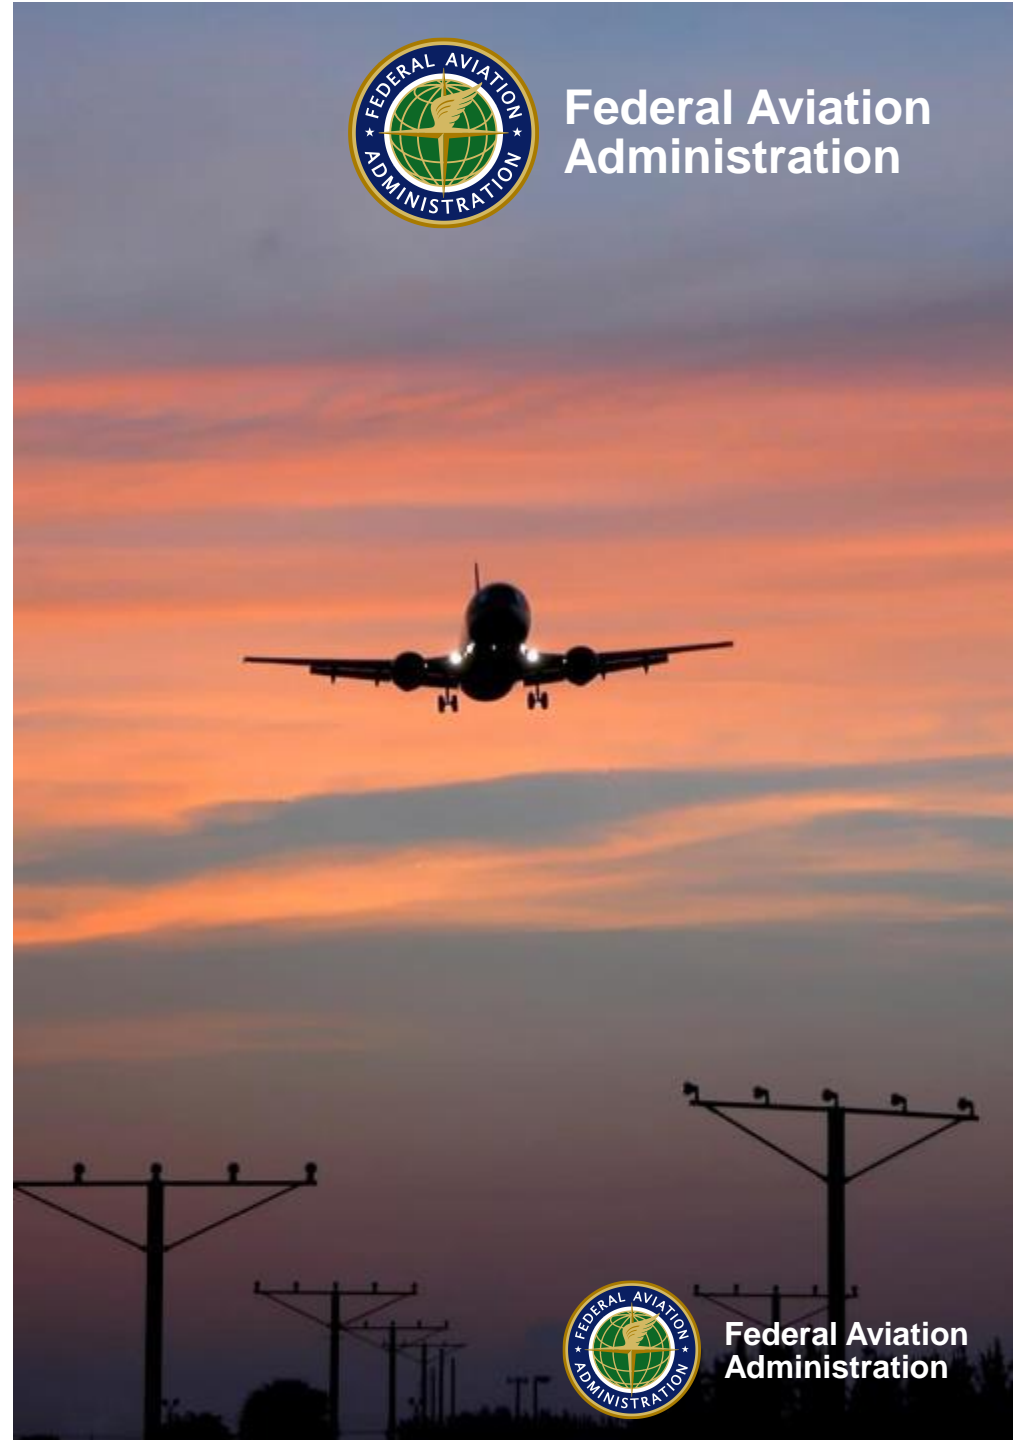

Presented to: ANE Symposium 2024

By: Don Scata Jr., FAA Office of Environment and Energy

Date: March 5, 2024

Federal Aviation Administration

Federal Aviation Administration

Environmental Justice and the FAA

The EJ requirements and guidance unique to the FAA include:

- DOT Order 5610.2C, Actions to Address Environmental Justice in Minority Populations and Low-Income Populations
- FAA Order 1050.1F and the accompanying Desk Reference (Chapter 12)

NEPA Analysis Tools

- EJ Screen
- Aviation Environmental Design Tool

FAA Work Group Activity

- Interagency Advisory Council (IAC) previous EJ Interagency Work Group (IWG)
 - NEPA committee
- DOT EJ Working Group

Upcoming Activities

- Revising FAA Order 1050.1F
- Revising the Chapter 12 of the 1050.1 Desk Reference (awaiting guidance from CEQ on implementation of EO 14096 to complete revisions)
- Revision of the IAC Promising Practices for EJ Methodologies in NEPA Reviews (awaiting CEQ guidance)
